

THE BRAW AMAZING BOOKSHELF

A magnificent room in Bologna's Salaborsa library in the heart of the old city hosted a showcase of the thousands of books entered for the 2022 BolognaRagazzi Award. Among over 2200 titles from 62 countries, three international juries selected the winners and awarded special mentions to several books. Alongside these, many other titles were greatly admired by the juries and came very close to winning. For the very first time BCBF devotes an exhibition also to these 100 publishing gems and is proud to contribute to their visibility on the international stage.
