IBBY ITALIA CHOICE 2025 WORDS, IMAGES AND STORIES

IBBY Italy presents the fourth selection of Italian publishing for children and young readers. IBBY Italia Choice 2025 highlights titles published between June 2024 and July 2025 that stand out for their literary and visual quality, as well as for their narrative and formal originality. The works are divided into sections: picture books, fiction, poetry, non-fiction, comics and graphic novels, and toddler books. These are titles that IBBY is proud to promote in Italy, abroad, and as a preview at the Frankfurter Buchmesse. IBBY Italy warmly thanks the publishers who responded to the call, the Bologna Children's Book Fair, and AIE - Italian Publishers Association, for supporting the publication of the catalogue and the international circulation of this collection.
