THE BRAW  
AMAZING  
BOOKSHELF

A magnificent room in Bologna's Salaborsa library in the heart of the old city showcased the thousands of books entered for the 2023 BolognaRagazzi Award. From 2349 titles, submitted by 644 publishers from 59 countries, the winners and special mentions were selected by an international jury. However, many of the other titles submitted were greatly admired and came very close to winning, which is why Bologna Children's Book Fair is proud and honoured to devote a special exhibition to these publishing gems and contribute to their visibility on the international stage. Besides these titles, a special section of the exhibition celebrates the 15th edition of the Opera Prima Award.

**OPERA PRIMA PRIZE 2009-2023**  
15 years of extraordinary debuts of the BolognaRagazzi Award

Created in memory of Giovanni Lanzi, the Art Director creator of the BCBF logo, and now in its fifteenth edition, the Opera Prima section of the BolognaRagazzi Award was established to highlight debut works and provide a stage for young talents. The new section proved an inspired choice, rapidly becoming an international success. The small number of titles submitted during the early years quickly rose to over 200 works now entered for the Opera Prima section. This year twenty of the best debut works are being showcased to the international publishing world.
