

NEW PARTNERSHIP FOR BOLOGNA CHILDREN'S BOOK FAIR
NEW OPPORTUNITIES ARISE FOR TRANSLATORS THANKS TO THE AGREEMENT WITH
CEALT - Conseil Européen des Associations de Traducteurs Littéraires

September 30th 2022: On the occasion of the International Translation Day, Bologna Children's Book Fair is proud to announce a new partnership with **CEATL - Conseil Européen des Associations de Traducteurs Littéraires**. CEALT is an international non-profit association created in 1993 as a platform where 36 literary translators' associations from 29 countries across Europe can exchange views and information, and join forces to improve the status and working conditions of literary translators in Europe.

Promoting quality and good practices in the field of literary translation and copyright are among the shared objectives of this important partnership between BCBF and CEATL.

To celebrate this day as well as BCBF's lively community of translators, here are some events in the next few days:

- A practical workshop on translating literature for young readers by Claire Store, organised by **English Pen**:
